KIMEX

KOREA INTERNATIONAL MACHINERY EXPO

June 25th(Tue) - 28th(Fri), 2024 | CECO

WHY KIMEX?

KIMEX is the first and oldest traditional exhibition in the Gyeongnam, Korea and the premium machinery industry exhibition leading the smartization and digital new deal innovation

Changwon Logistics Hub

Gyeongnam

Gross regional production : **\$123trillion**
6,873 manufacturers
304,000 employees

50th Anniversary of National Industrial Complex Designation

Continuous Growth in Demand

Revitalization of old industrial complexes, structural upgrading

207 Industrial Complexes in Gyeongsangnam-do

Industries Location with Top Demand

Aerospace, machinery, shipbuilding and offshore plants, automotive parts, etc.

Optimal for Machinery Exhibitions

Changwon City Specialties

Intelligent machine & robot, manufacturing ICT convergence, shipbuilding & offshore plant, advanced new materials

Exhibition Overview	Name	Korea International Machinery Expo 2024
	Period	June 25 th Tue - June 28 th Fri 2024, 4 days 10:00-17:00 * Until 10:00-16:00 on the last day
